

## **Graduate Research Assistantship:**

Few Graduate Research Assistant (GRA) positions are available for qualified applicants admitted to the MSCJ program. They will be granted on a competitive basis. The three main criteria for consideration are students' GPA, GRE scores, and their research skills.

The chosen students will receive a stipend of \$4,000 per semester up to two academic semesters (fall and/or spring) and have their tuition waived for that semester. **The GRAs are required to spend 10 – 13 hours a week** working with a faculty supervisor on his/her research project during the semester.

To apply for GRAs, please go to the Human Resources website (<https://web.kennesaw.edu/hr/>) and select "Apply for Staff Opening," "GRA Opening," and "GRA-Criminal Justice."

Note: The amount of stipend above is based on the 2012 - 2013 academic year and is subject to change.
